The New Benchmark: IMD Awarded the ESNB Asia-Pacific Green Deal Green Badge

Infra Mobile Digital Sdn Bhd (IMD) is proud to announce that we have been recognized with the [ESBN Asia-Pacific Green Deal Green Badge](#), acknowledging our adherence to higher ESG standards and the 2030 Agenda for Sustainable Development. As of September, 2024, we are one of the 22 companies in Malaysia to receive this prestigious badge, we join other well-known companies in Malaysia and globally in demonstrating our commitment to sustainability. This recognition reflects our ongoing efforts to integrate sustainable practices into our business model, fostering a resilient and circular economy for a more eco-conscious future.

ProSales Enhancement: Orienting towards a New Future

Our existence is driven by the goal to transform data into meaningful outcomes, offering a centralized platform that enables stakeholders to adopt sustainable practices. We are orienting towards a new future, focusing on sustainable empowerment and intelligent environments. Our transformative innovation and commitment to sustainable living shape our journey. We engage through ethical innovation and emphasize the impact of technology. This holistic approach ensures that we not only adapt to change but also drive it, fostering a more sustainable and empowered world. To put the above into practice, we are taking concrete steps to enhance our ProSales App. Discover how we put our ESG-oriented vision into practice through the enhancement of ProSales [here](#).
